PARASET METAL BOX
Original paraset Hinge
Drawing by F6eju thanks to
F4smx collection

Part # 4

Scale 1/1

European projection

Box side

Cover side

55.3

55.3

190

Holes should be about 2.2mm

Due to the rivets it was impossible
to measure the holes of fixation

Metal white, non magnetic

The rivets looks like those of aircraft

see pictures of the original box
